.....  
Summer warmth arrived for the 13th Annual Commander Rendezvous at Otter Bay Marina. A total of 25 vessels attended—one 38-foot, 18 30-foot and six 26-foot Commanders. This included seven vessels from the United States. On Friday we gathered for potluck appies. Were they appetizers or dinner? Saturday there was a delicious catered dinner from the marina kitchen. Thanks Stephan and Gisela. The prawns were amazing! Once again Todd Koroll of Vector Yacht Services in Sidney led the tech talk. The most important topic was probably watching for impeller failure. Carry a spare on board! See you at Port Browning Marina, Pender Island on July 6–8, 2012!—*Barbara Qualley*
